## General Information For Exhibitors

**Payment Deadline: August 23, 2019**  
**List of Your Company Attendees Due: August 30, 2019**

### **Shipping:**

With a unique venue comes unique challenges. Unfortunately the venue will not allow shipments. Please have your items shipped to your hotel.

### **Set Up and Tear Down Times:**

**Set up: 1:30 - 4:00 pm**

**Tear down: 8:00 pm**

Please do not arrive earlier than 1:30pm as we need time to have table delivery and set up. All vendor tables must be completely set up by 4:00 pm.

### **Damages:**

The exhibitor(s) will be financially responsible for repair of any damage to venue.

### **Garbage and Trash Removal:**

Please remove all materials and empty cartons from your exhibit area upon conclusion of your event. All materials should be removed from exhibit tables when unattended as ISPE nor the venue are responsible for lost, damaged or stolen articles.

### **Table Size: 6 feet long by 2½ feet wide**

These are table tops only, not exhibit space.

The diagram is designed for vendors to stand in front of their tables eliminating a barrier between you and your potential clients. Shade will be provided. Please bring your own table cover.

### **Pass The Word:**

This is your show. Please tell everyone in the industry about our event. We are competing with many other shows and to continue making ours a success, we need your help. Please email Vendor Night information to people you are in contact with at local pharmaceutical, medical device and related industry firms.

# ISPE Exhibitor Guidelines

The following restrictions for table tops are set by the National Office of ISPE:

1. Only one exhibiting company per table will be authorized. Each individual company must have a separate table.
2. Exhibits must be staffed at all times during exhibit hours. Exhibits may be staffed by a maximum of three representatives at a time from each company.
3. Exhibits must conform to the following:

**The entire exhibit must be confined to the top of table only  
Nothing will be allowed to hang off, behind, in front, or along side of table**

- The maximum height of any display, including signs, etc., shall be 60" inches. However, ISPE now allows roll up displays that are taller than 60" only if the display can securely stand on your table. If your roll up display does not fit on your table, we will ask you to butt it up against the back of the table.
  - The maximum width of any display shall be 72 inches. Displays must not overhang top of table. However banners can be draped over the table.
  - Only static displays are acceptable. No operating machinery of any type will be allowed.
4. ISPE reserves the right to restrict table top exhibits which are objectionable because of size, noise, glaring or flashing lights, method of operation, or any other reason and, therefore, to prohibit or evict any exhibitor who, in the opinion of ISPE, may detract from the overall good of the exhibit. This reservation includes person, conduct, printed matter or anything ISPE judges to be objectionable.
  5. Any failure to comply with the above restrictions shall result in exclusion from participation in future ISPE table-top events.

**Signage:**

**All signage must fit on your table.**
